The information on Blue Room Innovation, S.L website is provided for publicizing the activities and services. The Blue Room Innovation, S.L works to ensure that the information and services that appear on Blue Room Innovation, S.L website have the necessary integrity and that they are accurate, up-to-date, accessible and usable.

In this respect, users should take note of the last modified date indicated in each case. This website and all of its contents, including the texts, images, sound recordings, databases, code and any other material, are the property of Blue Room Innovation, S.L or third parties who have authorized their use by the institution. All of this material is subject to the current legislation on intellectual property. The respective owners reserve their right to take appropriate legal action to redress any harm or damage caused by any act that infringes upon their intellectual property rights over the contents.

Blue Room Innovation, S.L reserves the right to modify and update its website at any time and without prior notice.

Blue Room Innovation, S.L publishes the images of people who appear on the website in full recognition of their rights to their own image. The images are used exclusively for the purpose of creating graphic files or videos to report or publicize Blue Room Innovation, S.L activity. In no case shall they be used for other purposes or given to third parties without the necessary authorization.

Blue Room Innovation, S.L has implemented the security measures needed to keep its website and servers free of malware. Secure access to the website (such as in the case of intranets) is provided through the HTTPS protocol.

Blue Room Innovation, S.L website provides hyperlinks to the profiles in Facebook, Twitter, Youtube, etc., in order to advertise Blue Room Innovation, S.L presence in these social networks. Once users access these social networks, they are subject to the policies established by each service.

Any dispute involving Blue Room Innovation, S.L website shall be conducted in the courts and tribunals of Barcelona, expressly waiving any other jurisdiction.

### **Personal data protection**

The treatment of any personal data provided by users of the website is subject to the provisions of the regulations on personal data protection. However, Blue Room Innovation, S.L website is not a publicly accessible source as stipulated by the regulations.

### **Form data and newsletters**

Blue Room Innovation, S.L website contains various forms that collect personal data to send newsletters and other activities. All of these forms have information clauses in adherence to the regulations on data protection. You can modify, update or delete all your data by sending an email to [info@blueroominnovation.com](mailto:info@blueroominnovation.com)

When it is mandatory under the regulations on data protection, consent to use or transfer personal data will be requested from the individuals concerned. To this end, users should read and take into account each information clause.

In all cases, Blue Room Innovation, S.L use of personal data will be limited to what is adequate and relevant to meet the specified, explicit and lawful purposes for which the data have been obtained. The security of users' personal data is guaranteed by the application of technical and organizational security measures.

As stipulated by the regulations on data protection, minors are allowed to give their personal data only if they are 14 years of age or older. Minors who are under 14 years of age must obtain the consent of their parents or legal guardians. Blue Room Innovation, S.L assumes no responsibility for the personal data given by minors under 14 years of age who have not received consent from their parents or legal guardians.

### **Connection data**

Connection data are implicitly generated in the use of internet communication protocols. The data generated by browsing the COMPANY website will be used strictly for technical purposes and by staff who are bound by a duty of secrecy.

## **Cookies**

Cookies are small text files that were initially created to facilitate web browsing and have subsequently been applied in other areas as well. Blue Room Innovation, S.L uses cookies only to enable visitors to browse the Blue Room Innovation, S.L website more smoothly and in a more personalized manner.
